# Florida's Natural Playground

*The natural wonder of Lake  
County is just the beginning*

A stone's throw from Florida's coastal beaches and theme parks, Lake County offers visitors a more simple and natural view of "Old Florida." Instead of touting the largest coaster or grandest mall, Lake County's greatest assets are courtesy of Mother Nature.

Home to more than 1,000 freshwater lakes and rivers, there is no doubt how this natural wonderland received its moniker. Other Lake County superlatives include the ridges of peaks and valleys unseen in any other area of Florida and endless acres of preserves to include access to three state parks, one state forest, one national wildlife refuge and one national forest.

With this variety of open spaces and crisp, clear waterways popular activities include...just about anything imaginable. From the traditional activities of hiking, fishing, golfing and horseback riding to the more “extreme” adventures of wakeboarding, hang gliding, off-road motorcycling and kayaking, Lake County is a one-stop vacation for outdoor enthusiasts.

While the everyday adventurer seeks thrills in Lake County, professional athletes also have found that rolling hills and sparkling waters of this area provide the scenic background for an inspired and challenging training ground. The 300-acre complex of the National Training Center serves a multitude of national and international athletes in most all genres of sports.

Triathletes, in particular, are true and dear to Lake County for its year-round mild climate, hilly terrain and many lakes. The area is host to more than a dozen different triathlon events annually, including the Great Floridian Triathlon, one of only three Ironman distance triathlons in the United States and the only one held in the South.

These same traits that attract world-class athletes are perfect for anyone looking for a relaxing, peaceful getaway. Lake County has so much to offer with its charming hometowns and family festivals. Visit the Lake County Welcome Center, located at 20763 U.S. Highway 27, Groveland, call (800) 430-LAKE or log on to [www.lakecountyfl.com](http://www.lakecountyfl.com).

Lake County can be accessed by Interstate 75 to the west and Interstate 4 to the east. The U.S. highways of 441 and 27 intersect the County in the north and south, respectively.

Lake County is home to the Leesburg International Airport. Sunair Aviation, the airport’s fixed-base operator, is open daily from 7 a.m. to 7 p.m. For more information, call (352) 787-2211. ## Lake County tops the Sunshine State for most freshwater lakes

---

With more than 1,000 lakes and rivers, there's no surprise how Lake County got its name.

This Central Florida county is not only home to hundreds of waterways, but the freshwater fishing and boating amenities are some of the best in the region. From expansive lakeside parks and boating facilities, to nationally recognized kayaking and canoeing trails, Lake County is the closest thing in the state to a freshwater boater's paradise.

Largemouth bass and crappie are found in almost every body of water in the area. In fact,

nationally televised fishing tournaments come to Lake County each year. While a local or regional fishing tournament is nearly in action every weekend, annual national events sponsored by the BASS Federation or Crappie Masters always bring in large crowds of participating anglers and spectators. With hundreds of lakes brimming with prize catches, anglers sometimes face a tough decision about where to cast a line.

Along with about a dozen marinas and more than 60 boat ramps, Lake County also features local companies that offer boat cruises and guided paddling

tours. Schedule a romantic moonlight cruise or view exotic wildlife such as alligators, otters and nesting waterfowl with Premier Boat Tours.

For those who seek a greater adventure, several local companies offer guided canoe and kayak trips. Wherever your waterway journey takes you, be sure to catch the Dora Canal. The most well-known waterway in Lake County was described in the 1930s by a sports writer as "the most beautiful mile of water in the world." The canal, lined with towering cypress trees draped with Spanish moss, is a safe haven for nesting birds.

Wake up early to snag a tee time at Sanctuary Ridge Golf Club (352-243-0411) in Clermont. Known as the “only mountain course in Florida” these 18 holes offer 190 feet of overall elevation change with the highest elevation point on the course at 260 feet.

In the afternoon, take a short trip to the Palisades Country Club (352-394-0085). This scenic course also boasts some hilly terrain. Holes hug the shores of crystal-clear Spring Lake before climbing 80-plus feet from tee to green to provide panoramic views from atop one of the highest points overlooking beautiful Lake Minneola.

### Day 2

For day two, stick with most notable courses in Lake County at Mission Inn Resort & Club, (tee times 352-324-3885 or alternate number 352-324-3101). While resorts are common in Florida, Mission Inn breaks the mold with its tranquil setting of a peaceful plantation nestled in the rolling hills of the small Lake County village known as Howey-in-the-Hills.

Home to several collegiate championships each year, Mission Inn features two courses.

Mastering the El Campeón course, or “The Champion,” is no small feat. It’s one of the most challenging championship courses in the South and the third oldest golf course in the state.

By featuring water on 13 of 18 holes and rare 85-foot elevation changes, the course ranks in the Top 10 in the state, according to Florida Golfing News. Along with the Las Colinas (The Hills), which is noted for its large, undulating fairways and greens, the two courses make for outstanding tournament play.

## *Laid-back atmosphere in stark contrast to thrill-seeking attractions*

With its diverse landscape and natural beauty, many tourist attractions in Lake County reflect the area's remarkably breathtaking landscape.

Whether you are exploring vineyards or soaring in a glider, enticing you at all times are the serene views of gently rolling hills and majestic lakes. A visitor to Lake County, with its warm climate and adventurous spirit, could be sampling fresh citrus one minute and thrashing on a wakeboard the next.

For the young at heart, local tourism operators present numerous attractions for children. From chugging along in a locomotive in

Mount Dora to peering into an authentic miniature replica of the White House in Clermont, a youthful imagination can soar in Lake County. For a truly hands-on experience, don't miss Uncle Donald's Farm. This working farm offers youngsters a chance to experience holding a baby goat while it drinks from a bottle or taking a hayride to feed a herd of cows.

While perhaps the world's largest collection of roller coasters is only minutes away from Lake County, the greatest thrill rides known to man are right here. Hang-gliding, biplanes, hot-air

balloons and gliders are all popular attractions in the area with its wide-open spaces, altitude and optimal sea breezes. Take lessons with world-famous pilots, enjoy a guided ride or just sit back and watch an international flight competition.

If the open skies bring apprehension, maybe water sports will quench your thirst for adventure. With the help of world-class trainers, strap on skis or a wakeboard for instruction at several local schools.

### *Showcase of X Citrus*

*If choosing between 50 different varieties of citrus doesn't get your juices flowing, maybe a wild ride on the state's largest swamp buggy will. At The Showcase of Citrus, the only thing sweeter than the oranges is the mammoth machine available for off-road tours.*

### *Inland Lakes X Railway*

*Ride the "pizza express" by Inland Lakes Railway, offered every Saturday at 5 p.m., for a short excursion of railroading history, sightseeing and sampling Italian pie.*

# ANNUAL FAIRS

## *Sure to*

*Festivals in Lake County are old-fashioned community celebrations*

While the lure of outdoor activities attracts visitors to the area, the hometown charm of the local cities and festivals brings them back.

Lined with historic significance and country charisma, the small downtowns in Lake County offer the peaceful getaway so many tourists seek. The annual events in these enchanting, historic downtowns, such as the Florida Black Bear Festival and the Mount Dora Arts Festival, are the type of hometown celebrations that warm the heart.

Home to 1,000 lakes, Lake County is also known for its excellent fishing tournaments, water-skiing competitions and nationally recognized triathlons. Another unique attraction that draws upon the

abundance of water is the Antique Boat Festival in Tavares. The display of mahogany-rich classic and antique boats draws participants from throughout the United States and Canada.

The natural gifts of Lake County tend to influence the annual events calendar. Festivals, such as Seminole-Lake Gliderport's Senior Soaring Championship and Florida Carriage Museum and Resort's Carriage & Horse Festival, are possible because of the wide-open spaces available in this Central Florida locale. While the many parks and preserves provide opportunities for active sporting events, they also

provide the needed inspiration for the creative mind.

Cultural festivals are premier attractions in Lake County. With more than a dozen fine art, craft, antique and music festivals scheduled annually, the artistic vibrancy of the area is alive and well. Perhaps the most unique of these culturally themed events are the

Antique Extravanzas of Renninger's Florida Twin Markets. Considered the largest antique shows in the southeast, the three-times-a-year event brings an estimated 1,400 antique dealers to the 117-acre market.

Whether it is the sports-themed, heritage or just plain fun festivals your family searches for, it is all happening in Lake County. Come join the party.

# Into the Wild

*A blissful escape for  
nature observers*

## *Code of Conduct*

- Learn about any protected plant and animal species in the area
- On multiuse trails, horses always have the right of way
- Observing without handling is the preferred method of exploration
  - Stay on designated trails
- Keep noise to a minimum to avoid scaring off wildlife.
- Know local hunting seasons and rules before exploring natural places.

*Take a walk on the wild side  
viewing wildlife and wildflowers*

*A*mongst the lush forests and vast bodies of water, something exciting is lurking around every bend of the trail in Lake County.

Venturing off the beaten path to the area's distinctive ecosystems unveils a bounty of diverse wildflowers and butterflies. From a fast flitting Zebra Swallowtail to the vibrant purple and pink hues of the Florida Paintbrush, discovering the beauty of Lake County's nature is as simple as opening your eyes.

The assortment of multihued wildflowers and flowering vegetation also make for a perfect playground for some of the state's most popular and protected wildlife. With a keen eye and practicing safe outdoor

exploration codes, you too can catch a mystifying glimpse of a lounging Black Bear, frolicking River Otter or cute-as-a-button Marsh Rabbit. With immense practice and patience, naturalists even have the opportunity to witness more of the state's mysterious creatures, including the Florida Panther, Sand Skink and Sherman Fox Squirrel.

Sometimes it may be difficult to see animals, but their presence can be detected by other means. Wildlife viewing is fun, but the real hunt for many is spotting their tracks. By learning to read the signs animals leave behind, it will increase your chances of spotting them.

With dozens of preserves, parks and refuges of pristine nature and sheer beauty, Lake County offers a picture-perfect respite to reconnect with the great outdoors. If you are shy about exploring these untamed environments by yourself, don't fret as several local groups schedule weekly tours into the wilderness. From nature hikes to educational wildflower hunts, contact the Trout Lake Nature Center (352-357-7536), Lake County's park rangers (352-742-0992) or the Florida Scrub-Jay Trail (352-429-5566) for their next scheduled adventure.

*The Florida Black Bear is  
the largest native land mammal  
in the state. Often hiding in  
dense vegetation, it is rarely seen  
in the wild*

A romantic couple is shown in a close embrace, nearly kissing. The man, on the left, has grey hair and is wearing a light-colored polo shirt and white trousers. The woman, on the right, is wearing a wide-brimmed straw hat, a green beaded necklace, and a sleeveless dress with a large floral pattern. Both are holding glasses of champagne. They are sitting on a bed or sofa. In the background, a well-furnished living room is visible, featuring a red sofa, a coffee table with a small statue and flowers, a lamp, and a chandelier. Large windows with dark curtains let in bright light, creating a soft, romantic atmosphere.

*Inns provide for  
peaceful*

Reconnect with your loving partner at one of Lake County's relaxing, romantic and quaint bed and breakfast inns. Home to more than a dozen unique B&Bs, these historic inns create a nostalgic environment that takes guests back to the days of "Old Florida."

Each inn offers a unique blend of personal touches, inviting

inns such as Aunt B's Bed & Breakfast in Eustis, which offers the down-home feel of grandmother's house. If luxury is your key to a great vacation, the Duncan House Plantation Bed & Breakfast in Tavares is the perfect fit. Guests can enjoy luxurious accommodations in this distinctive circa 1926 plantation-style home listed

Mount Dora Historic Inn offers no televisions or telephones. Couples find the relaxing atmosphere provides the perfect opportunity to reconnect as this inn is a popular spot for those celebrating anniversaries.

# getaways

Lake County's bed and breakfasts synonymous with relaxing

atmospheres and architectural diversity. From the Victorian to Arts and Crafts to Vintage Florida, these retreats, including Coconut Cottage Inn in Mount Dora and Moss Gate Bed & Breakfast in Umatilla, often put guests within walking distance of the local vibrant downtown districts full of excellent dining and shopping choices.

Tucked away in the rolling hills of Lake County are country

inns in the National Registry of Historical Places.

In this fast-paced era, vacations often don't seem much like relaxing getaways with the technological advances of wireless telephones, digital televisions and high-speed Internet access. Couples can escape these distractions by visiting several bed and breakfast inns that work to eliminate these everyday hassles. The

Inn in Clermont is a popular respite for athletes visiting the local National Training Center. From triathletes to competitive bicyclists, this inn features a full range of amenities for extended stays.

From inviting rose gardens to cozy patchwork quilts, the bed and breakfast inns of Lake County include many participants of nationally recognized "Superior Small Lodgings" and complement the natural, relaxing atmosphere.
